

Samuel Jenkins Johnson

Birth 1845 March 14, Atherton, Lancashire

Marriage 1879 July 31, Mary Drew (1854-1904), Kennington, London

Death 1905 October 9, Melplash Vicarage, nr Bridport, Dorset

Children

Daughter, Priscilla Mary (1880-1936)

Son, Samuel Thomas (1882-1910)

Education

St John's College, Oxford, BA 1867, ordained deacon 1868, priest 1869, MA 1871 [[alumni oxonienses, p.757](#)]

Census

1871, 26, Rector of Upton Helions, Devon, living with father, mother and two servants

1881, 36, Rector of Abinghall, Westbury-on-Severn, Gloucestershire, living with wife, daughter and two servants

1891, 46, Vicar of Melplash, living with wife, son, daughter, governess and three servants, Netherbury, Dorset

1901, 56, Clergyman, Church of England, living with wife, son, daughter and four servants, Netherbury, Dorset

Bibliography

Books

Eclipses and Transits in Future Years (1869)

Eclipses Past, Present and Future: With General Hints for Observing the Heavens (James Parker & Co. Oxford and London, 1874)

Historical and Future Eclipses (1896)
